Superintendent: Stacy Haggemiller

1. Exhibits must be in place by 6 p.m. on Entry Day and remain in place until 6:00 p.m. on closing day. All entries must be checked out with the superintendent before removal from the premises.

2. An exhibitor may make as many entries as they wish in each class, but only one exhibit in each lot.

3. If an entry is unworthy, no prize will be awarded even though it may be the only entry.

4. Exhibitors must provide their own containers.

5. The Fair Board will not be responsible for injury to exhibits or loss of containers.

6. A champion & reserve champion ribbon, with premiums of \$5.00 & \$3.00, may be awarded in each class to outstanding exhibits.

7. Whenever possible, provide the name of the variety exhibited.

Suggestions: Good size of bloom and uniformity for the variety are points judges consider. In addition, good color, form of blossom, clean foliage, a strong, long stem and freshness are considerations.

### **CLASS 1 - CUT FLOWER SPECIMENS**

In this class the flower, stem and foliage are judged. The container will not be considered. Bottles and jars may be used as well as vases, however, choose a container suitable to displaying your exhibits to the best advantage.
