

Sibley County Fair July 31-Aug. 4, 2024

“The Best Little Fair in Minnesota”

Come Back for More in “2024”

Thanks to sponsors such as yourself, the Sibley County Fair Board has been able to put together something special. We call our fair the Best Little Fair in Minnesota for many reasons. We are not a large fair compared to other fairs, but our fair is very well attended. The fair not only brings Sibley County together, but people come from all over to compete, exhibit, and just see who we are.

Our grandstand has some of the best events you'll find anywhere. Our barns are full of some of the best livestock in the state. Sibley County's 4-H members not only help

fill the barns but also fill the 4-H building with projects they have worked hard on. Last year many Sibley County 4-H exhibitors went on to compete at the Minnesota State Fair and came back with champion awards. The Fairgrounds is one of the best in the state and we take pride in continually improving the grounds to make the fair experience better for everyone. Our entertainment line up has something for everyone, and we are constantly looking for new attractions to help make the experience better for those that attend the fair. Last year, Dock Dogs was a new attraction that was a hit with everyone who watched.

Being the best isn't easy. It takes a lot of work and cooperation but most importantly, it takes sponsors such as yourself to help. We cannot thank you enough for your donation, partnering with us to create a five-day event that is special. All who attend recognize your support and we have done our best to make sure you are noticed. This year we will be making some changes. With the increasing cost of banners, we have started to invest in new ways to get your business noticed. A jumbo screen was installed on our beer garden and TVs have been placed around the fairgrounds all with a video loop of our sponsors. These changes will ensure that our great sponsors are still getting noticed but also allowing us to continue to improve and create the best experience possible for those who attend. The Sibley County Fair Board thanks you for your support and helping us continue to be the Best Little Fair in Minnesota.

Your tax-deductible donation to our non-profit organization will give you a new opportunity to get noticed. We offer different levels of sponsorship support for any budget. The levels are simply guidelines to follow. Any level of support you can provide our organization is much appreciated. Take the time to look at our various levels of support and choose the one that works best for your situation. You may choose to support our Fair in the form of goods or services and we would be happy to discuss that option as well.

To ensure that you are included in our premium book, please complete the back side of this form and return it with your sponsorship purchase either by mail or to your fair representative as soon as possible. If you have any questions feel free to contact your Fair Board representative or you may email webmaster@sibleycountyfair.com.

Sincerely,

Sibley County Ag Association Fair Board
